Institution: Liceo Linguistico Niccolò Copernico

Description: Main Courses: English, French and German. Extra: German DSDII Certificate: B2/C1.

RESEARCH INTERESTS

- Industrial Organization
- Microeconomics
- Applied Mathematics

WORKING PAPERS

- A Note on the Solution of Circulant Real Linear Systems and its Sensitivity Analysis (with Enrico Caricchio in [ArXiv:250800863v4 \[Math.GM\]](https://arxiv.org/abs/2508.00863) 2025). See in: <https://arxiv.org/abs/2508.00863>
- Positional Concerns, Advertising Expenses and their Externalities (in Working papers (WP) del Dipartimento di Scienze Economiche (DSE) dell'Università di Firenze N.03/2024, Università degli Studi di Firenze 2024). See in: <https://alessandroguazziniag.github.io/webpage/>

WORKS IN PROGRESS

- Component vs. Product Competition and the Licensing Level of Standard Essential Patents (with Prof. Lapo Filistrucchi and Samuele Scarpelli)
- On the Use of Marketshares and the Herfindahl-Hirschman Index to Assess Market Power: from Single-Sided to Two-Sided Markets (with Prof. Lapo Filistrucchi, Teresa Oriani, PhD and Prof. Vincenzo Valori)
- Defining the Angle Between Two Positive Vectors via Truncated Norms [*Revise and Resubmit American Mathematical Monthly*]
- On Hotelling's "Stability in Competition" Without Full-Market Coverage
- Collusion in Times of Shrinkflation (with Prof. Lapo Filistrucchi)
- Price Discrimination in a Circular City à la Salop (with Prof. Lapo Filistrucchi)

TECHNICAL SKILLS

- Wolfram Language/Mathematica
- R
- Gretl
- Matlab
- LaTeX
- HTML

LANGUAGE SKILLS

- English: C1
- French: B2
- German: B2
- Italian: C2

HONORS & AWARDS

- Deutsches Sprachdiplom (DSD) II by KMK (Kultusministerkonferenz) in 2019 [Grade: B2/C1]

HOBBIES

- Swimming
- Reading: Moral and Theoretical Philosophy, Pure Mathematics, Arts (Renaissance and Contemporary)
- Three books that changed me: Seneca's Dialogues; Jankélévitch's "L'aventure, l'ennui, le sérieux"; Perec's "Un homme qui dort"
- If not at the university, you can most probably find me in some independent library or museum in Florence
